

**Financial Assistance:**

At Raleigh Radiology we are committed to ensuring that quality healthcare remains accessible to all members of our community, regardless of their financial circumstances. We understand that medical expenses can sometimes place a heavy burden on individuals and families, and our aim is to alleviate this burden by providing financial assistance options. This assistance applies to services provided at our Raleigh Radiology Imaging Centers as well as the professional radiology fees from our partnering hospitals.

**Eligibility Criteria:**

To be eligible for financial assistance, the patient must have a current outstanding balance. Future patients can use the table below to determine whether they would be eligible for financial assistance. Once a patient has an outstanding balance, the patient can download our financial assistance application from our website. Follow the instructions on the application and any questions can be directed via email to [FinancialAssistance@RaleighRad.com](mailto:FinancialAssistance@RaleighRad.com). Please allow 4-6 weeks for the processing of your financial assistance application. Once Raleigh Radiology has determined your eligibility, a letter will be mailed to the address on file.
